Past Due Tuition:

The Owatonna Christian School Past Due Policy is approved by the school committee and executed by the Owatonna Christian School office. This policy exists to provide guidelines and add clarity on ALL financial issues including what steps need to be taken to formulate a plan when a family's account becomes past due. Failure to submit a plan, failure to reach acceptable agreement with the school principal, or failure to comply with the plan will result in dismissal of the family's student(s). Accounts must be brought current within fifteen (15) days or the student(s) will be removed. If needed, contact the OCS office prior to tuition due date to make special/additional arrangements.

Tuition Rates:

Tuition rates include curriculum, concurrent student registration, and reenrollment. K4 students do not qualify for multi-student tuition rates.
